

2014 Dental IPC Survey and Infection Preventionist (IP) Directory Update

Have all OICs and NCOICs of Infection Prevention & Control programs go to the DECS kx site to complete the 2014 IPC survey and enter information in our DECS IP Directory.

If not a member of the kx site, become a member:

Go to <https://profile.afms.mil/profile> and fill in the form then press "Apply". NOTE: Be sure to fill in the mandatory fields or the form will be rejected. Once you receive an email confirmation and activate your account, you will be able to access the site.

If a member of the kx site:

Go to DECS home page <https://kx2.afms.mil/kj/kx2/DECS> and choose 2014 IPC Survey under the "Dental Infection Preventionist (IPs)" tab and complete the survey.

Enter information onto the IP Directory

Go to DECS home page <https://kx2.afms.mil/kj/kx2/DECS> and choose "Directory of USAF Dental IPs" under the tab "Dental Infection Preventionists (IPs)" and fill out your information. Each time the IP changes at your clinic the information needs to be updated on the DECS directory.
